Our Response to Covid-19

2021-10-18 - Sarah L'Heureux - Yorumlar (0) - 221B Energy News

Wear your mask!

Stay at home!

As the current status of the world appears to be uncertain, we feel it is necessary to inform you of our response to the pandemic. Firstly, we hope to implement new protocols for workers who will be traveling long distances to visit customer location sites.
